

## **Notification of Rights for Illinois Consumers Security Freeze Process**

You have a right to place a “security freeze” on your credit report, which will prohibit us from releasing any information in your credit report without your express authorization, except to those with whom you have an existing account or a collection agency acting on behalf of the existing account, for purposes of reviewing (account maintenance, monitoring, credit line increases and account upgrades and enhancements) or collecting the account. Your information also may be used for the purposes of prescreening as provided for by the federal Fair Credit Reporting Act, even if a security freeze is on the report. A security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent; however, using a security freeze may delay, interfere with, or prohibit the timely approval of any subsequent requests or applications regarding a new loan, credit, mortgage, insurance, government services or payments, rental housing, employment, investment, license, cellular phone, utilities, digital signature, Internet credit card transaction, or other services, including an extension of credit at point of sale.

There is no fee from MicroBilt for this process. To request a security freeze, send all of the following via certified mail to MicroBilt Consumer Affairs, P.O. Box 440693, Kennesaw, GA 30160: full name, with middle initial and generation, such as JR, SR, II, III, etc.; current mailing address and previous addresses for the past two years; Social Security number; and date of birth (month, day and year). In addition, enclose one copy of a government issued identification card, such as a driver’s license, or state ID card, etc., and one copy of a utility bill, bank or insurance statement, etc. Make sure that each copy is legible (enlarge if necessary), displays your name and current mailing address, and the date of issue (statement dates must be recent). We are unable to accept credit card statements, voided checks, lease agreements, magazine subscriptions or postal service forwarding orders as proof. To protect your personal identification information, MicroBilt does not return correspondence sent to us. If you are a victim of identity theft submit a valid police, investigative report or complaint with a law enforcement agency about the unlawful use of your identifying information. We will send you a confirmation notice once the security freeze has been added, and you will be given a personal identification number (PIN) that will be required in order to remove the freeze temporarily (in order to apply for credit or for any transaction that requires that another party access your personal credit report) or permanently.

To temporarily remove a security freeze for a period of time in order to apply for credit or for any transaction that requires that another party access your personal credit report, call 1-888-222-7621. There is no fee from MicroBilt for this process. To temporarily remove a security freeze for a specific party, provide your PIN to the party you wish to grant access to your report.

To permanently remove a security freeze, call 1-888-222-7621. You also may write to us and provide your identification information and PIN. If you write to us, always include all of your personal identification information and proof of your address as specified in this letter. There is no fee from MicroBilt for this process.

If you move to a new address and wish to keep the security freeze on your file, submit your request in writing and include all of your personal identification information and proof of your new address as specified in this letter.
