

Notification of Rights for Idaho Consumers Security Freeze Process

Consumers may place a “security freeze” on their credit reports, which will prohibit us from releasing any information in their credit reports without their express authorization, except to those with whom the consumer has an existing account or a collection agency acting on behalf of the existing account, for purposes of reviewing (account maintenance, monitoring, credit line increases and account upgrades and enhancements) or collecting the account. If you place a security freeze on your credit report, your information also may be used for the purposes of prescreening as provided for by the federal Fair Credit Reporting Act, even if a security freeze is on the report. A security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent; however, using a security freeze may delay, interfere with, or prohibit the timely approval of any subsequent requests or applications regarding a new loan, credit, mortgage, insurance, government services or payments, rental housing, employment, investment, license, cellular phone, utilities, digital signature, Internet credit card transaction, or other services, including an extension of credit at point of sale.

There is no fee from MicroBilt for this process. To request a security freeze, send all of the requested information via certified, overnight or regular mail to MicroBilt Consumer Affairs, P.O. Box 440693, Kennesaw, GA 30160. Overnight mail should be submitted to MicroBilt Consumer Affairs, 1640 Airport Road, Suite 115, Kennesaw, GA 30144. In addition, enclose one copy of a government issued identification card, such as a driver’s license, state ID card, etc., and one copy of a utility bill, bank or insurance statement, etc. Make sure that each copy is legible (enlarge if necessary), displays your name and current mailing address, and the date of issue (statement dates must be recent). We are unable to accept credit card statements, voided checks, lease agreements, magazine subscriptions or postal service forwarding orders as proof. To protect your personal identification information, MicroBilt does not return correspondence sent to us. Copies of any documents should be sent, and you should always retain your original documents.

We will send you a confirmation notice once the security freeze has been added, and you will be given a personal identification number (PIN) that will be required in order to remove the freeze temporarily (in order to apply for credit or for any transaction that requires that another party access your personal credit report) or permanently.
